Projects that use photos, audio, graphics, etc. must have those files included on the media you send. This is also true for websites.

Programs Needed for Presentation: Your project must run without the specific application being needed by us. If this is not possible, you must make a video of the project's features. If your project is in book/text form, be sure to export the finished product as a PDF.

Label **each** item of media with: 1) Your name 2) PA# or RE# 3) Computer Platform

Be SURE to try your project on a computer NOT connected to your main system!

IMPORTANT: Use this form for EACH project you turn in. All projects must arrive at the ABC office on or before July 26 or August 4 (see details above)! If a project form/envelope & all related media are not submitted with the project, a \$20 fee will be assessed for each missing item.
