Master's Candidate Sight Reading/Rehearsal Schedule 2022

IMPORTANT NOTES

To give you extra time with your score, we have decided to supply you all with a PDF of your score and we will no longer be mailing you a physical copy. You can print it out and conduct from that, or purchase your own score as you study/work on the piece assigned to you. Review the following pages to see the piece you will be conducting. Please note that some pieces have been split between two or more ABC candidates.

Note that an EXACT amount of time has been established for you on the ABC Rehearsal Schedule (in this PDF). At ABC, there will be a visible digital timer on a separate music stand at your left. Refer to it to know how much time you have remaining. When the timer sounds you MUST stop immediately. If you conclude early, do not use the time if it is not needed. Being slightly ahead of schedule can help us when something momentarily delays a rehearsal, etc. Your time begins as you receive the timer from the ABC Graduate Staff member.

SIGHT READING

If you are a 2nd year candidate, you will be doing only a sight-read of the music assigned. There will be no opportunity for rehearsal and it is expected that you will skip repeats if necessary (understood by the band). Because you are playing straight through, CAREFULLY plan it so that you will arrive at the end and not two minutes from the end when you must stop! To cut off before the end is often very anticlimactic for the band. At least plan to arrive at an important cadence in the music. If you end earlier, it will simply relax the flow of the day's activities. PRACTICE THIS! Really: Go practice this!! Also, even more important—perform the music at the correct tempo! It is expected that conductors will be playing in the band before and after they conduct. Just take enough time to be ready so you do not slow down the rehearsal. It is so important that you are part of playing and hearing the new music.

REHEARSAL

If you are a 3rd year candidate, you will be doing a rehearsal (occasionally two) of the music assigned. You have been allotted time beyond the length of the music (from 3 to 5 times its length). Check the ABC Rehearsal Schedule for more info on what part or movement you might be conducting. With some additional rehearsal time this year, many students will be rehearsing their piece more than once. If you are conducting a march, we expect you to do some stylizing (dynamic changes, balance contrasts, etc.) whether or not the concert conductor uses those stylings on the concert. Be sure that slow tempos are taken solely for the purpose of cleaning up a section of music. You must determine and complete your work at performance tempo.

CONDUCTOR'S SCORE

All scores (PDFs) can be found at the following link: bandworld.org/ABC/Music.aspx (sign-in to your ABC account)

Do a search for your title and click on the "score" button to access the PDF of the piece you will be conducting at ABC. We encourage you to purchase your own copy of this score to keep with your ABC files, projects, etc. We also know some things are out of print (or in manuscript), so feel free to conduct from any of the PDFs from our website.

DIGITAL VIDEO

All sight reading and rehearsal sessions are digitally recorded. ABC staff will transfer videos from the camera to our computer in the commons. ABC Candidates are encouraged to transfer them to their personal computer. Bring a USB thumb drive (1 GB or larger so video may be transferred to your personal computer).

EVALUATIONS:

Second year candidates: Your sight reading sessions will be evaluated via voice-over on the camera while you conduct. You can view your sight reading segment on the ABC computer in the lobby, but you are encouraged to save a copy of your video to your computer. Bring a thumb drive compatible with Apple computers to make the copy of your video.

Third year candidates: As you finish your conducting, retrieve your computer chip from the camera and be sure you know your scheduled evaluation time with the Graduate Faculty. (In some cases, these sessions may be at a different time and that will be announced or posted near the assessment rooms.) Bring a thumb drive compatible with Apple computers to make the copy of your video.

ON STAGE OR BAND ROOM ASSEMBLY: At 10:30 or 3:30 each day we will assemble all of the conductors for that session (morning or afternoon) at the front of the band setup. Be right in the area and ready at rehearsal start time. We'll go down the line and have each of you give:

1. Your name & what you play
2. Where you are from and what you teach, what level(s)

Then go back and play until it is time for you to get ready.

COLOR CODING: ABC attendees will be assigned to one of four units. R, O, Y, or G (R = Red, O = Orange, Y = Yellow, G = Green). Each unit will have a complete instrumentation but will always combine with at least one other color unit. When the entire group is together for rehearsals ROYG always takes place on stage in the AHS Theater. There are also concert units RO and YG, and sight reading units RY and OG, which meet either in the Theater or Band Room. Check your schedules to make sure you get to the correct rehearsal space.
