## Master's Candidate Sight Reading/Rehearsal Schedule 2025

### IMPORTANT NOTES

You must purchase your own score to study/work on the piece assigned to you. A link to the website where you can buy the score will be provided. Review the following pages to see the piece you will be conducting. Please note that some pieces have been split between two or more ABC candidates.

Note that an EXACT amount of time has been established for you on the ABC Rehearsal Schedule (in this PDF). There will be a visible digital timer at ABC on a separate music stand at your left. Refer to it to see how much time you have left. When the timer sounds, you MUST stop immediately. If you conclude early, do not use the time if it is not needed. Being slightly ahead of schedule can help us when something momentarily delays a rehearsal, etc. Your time begins as you receive the timer from the ABC Graduate Staff member.

#### SIGHT-READING

If you are a 2nd year candidate, you will do only a sight-read of the assigned music. There will be no opportunity for rehearsal, and you are expected to skip repeats if necessary (understood by the band). Because you are playing straight through, CAREFULLY plan it so that you will arrive at the end and not two minutes from the end when you must stop. To cut off before the end is often very anticlimactic for the band. At least plan to arrive at an important cadence in the music. If you end earlier, it will simply relax the flow of the day's activities. **PRACTICE THIS!** Really: Go practice this. Also, even more important, the music should be performed at the correct tempo. Conductors are expected to play in the band before and after they conduct. Just take enough time to be ready so you do not slow down the rehearsal. It is so important that you are part of playing and hearing the new music.

#### REHEARSAL

If you are a 3rd year candidate, you will be doing a rehearsal (occasionally two) of the music assigned. You have been allotted time beyond the length of the music (from 3 to 5 times its length). Check the ABC Rehearsal Schedule for more info on what part or movement you might be conducting. With some additional rehearsal time this year, many students will be rehearsing their piece more than once. If you are conducting a march, we expect you to do some stylizing (dynamic changes, balance contrasts, etc.) whether or not the concert conductor uses those stylings on the concert. Be sure that slow tempos are taken solely for the purpose of cleaning up a section of music. You must determine and complete your work at performance tempo.

#### CONDUCTOR'S SCORE

A link to the website where you can purchase the score for your piece will be provided. It is recommended that you order your score as soon as you find out what piece you are rehearsing in order to get it in time for ABC.

#### DIGITAL VIDEO

All sight-reading and rehearsal sessions are digitally recorded. ABC staff will upload these videos and provide you with a link to your individual recording.

#### EVALUATIONS

Second-year candidates: Your sight reading sessions will be evaluated via voice-over on the file while you conduct them. ABC staff will upload these videos and provide you with a link to your individual recording.

Third-year candidates: As you finish your conducting, retrieve the iPad from the ABC staff member who is recording it and take it with you to your evaluation. As soon as your session with your evaluator is concluded, bring the iPad back to the ABC staff member in the rehearsal room. If you are the last person in a session, return the iPad to the Registration Desk as soon as possible after you are through.

**SIGHT READING CONDUCTOR INTRODUCTIONS (2nd Year Candidates):** At sight reading rehearsals, we will assemble all of the conductors for that session at the front of the band setup. Be right in the area and ready at rehearsal start time. We'll go down the line and have each of you give:

1. Your name & what you play
2. Where you are from and what you teach, what level(s)

After these introductions, go back and play until it is time for you to get ready.

**REHEARSAL CONDUCTOR INTRODUCTIONS (3rd Year Candidates):** We will have you introduce yourself on the podium before you rehearse your assigned piece.

**COLOR CODING:** ABC attendees will be assigned to one of four units. R, O, Y, or G (R = Red, O = Orange, Y = Yellow, G = Green). Each unit will have a complete instrumentation but will always combine with at least one other color unit. When the entire group is together for rehearsals ROYG always takes place in the AHS Theater. There are also concert units RO and YG, and sight reading units RY and OG, which meet either in the Theater or Band Room. Check your schedules to make sure you get to the correct rehearsal space.
